Dr Dimitris N. Chorafas : Basel III, the Devil and Global Banking (Palgrave Macmillan Studies in Banking and Financial Institutions) before purchasing it in order to gage whether or not it would be worth my time, and all praised Basel III, the Devil and Global Banking (Palgrave Macmillan Studies in Banking and Financial Institutions):

The banking industry extensively lobbied against Basel III and governments have been keen to delay its full implementation. Chorafas' latest book takes a well-rounded approach on Basel III's strengths and weaknesses and explains how, without deep restructuring of the global banking industry, (like Basel II) Basel III will fail.
