amazing!!! She is a wonderful writer- she is very witty, and it feels like you are getting your own coaching session with a friend while reading the book. She will teach you so many techniques which will help you grow your business. By purchasing this book, you are making an investment in your business, and more importantly in yourself. If you are debating buying the book..... JUST BUY IT!!! You will quickly see a return of your investment through increased sales and growth of your business.0 of 0 people found the following review helpful. Very HelpfulBy Elizabeth Houstonreat info for anyone working in the network marketing industry, like myself. I learned a lot of tips that helped my business grow.1 of 1 people found the following review helpful. Nothing but Boiled-Down Greatness from a MasterBy Erik ChristianWhen you read a lot of books on MLM or Network Marketing, you get a discerning ear for what is just "fluff" and what actually has value. Mary's writing is succinct and to-the-point. It has been reduced and boiled down into a pure elixir of knowledge and I wanted to lick my plate. Nothing but protein here, tips I can implement and a wealth of knowledge that she passed on as a flaming torch which will light up my organization! Thanks Mary!

As far as career opportunities go, network marketing is hard to beat. It costs almost nothing to start, allows for flexible hours, and paves the way for financial independence. Network marketing -- also known as direct selling and multi-level marketing -- has turned millions of people into successful business owners. But to truly reach their earning potential, network marketers need the right tools.
