fantastic book for those actors who want no BS but straight out facts from someone who KNOWS what they're talking about. I was a student of Phil and I can't explain what an impact his classes had on me. I had to have this book and now I cannot recommend it enough. Thank you Phil. 0 of 0 people found the following review helpful. In the acting biz or wanting to be - read this book. By Susan McWilliams. Great book! No nonsense, real life situations written in a compelling and helpful step by step. Must read. Highly recommend. 0 of 0 people found the following review helpful. Five Stars. By Customer. An excellent book I recommend for anyone wanting to be an actor.

(Book). Philip Carlson was the first agent to sign Phillip Seymour Hoffman, Billy Crudup, Liev Schreiber, Claire Danes, Idris Elba, Kyra Sedgwick, Adrien Grenier and Paul Giamatti. He has represented Viola Davis, Kathy Bates, Brian Dennehy, and W.H. Macy among many and gifted others. He shares his practical trade secrets in this extraordinarily comprehensive guide on how to get into show business. Topics include: The Schools * The Business * Showcases * Casting Directors * Agents * Auditions * Which Coast? * Producers * Staying Real * Negotiating 101 * Where Do I Fit? * Movies * TV: Where the Real Money Is (These Days) * and more! His clients rave: "He saw more in me than I saw in myself." Kyra Sedgwick "A great and resonant canyon of thanks to Philip Carlson for his invaluable work with a generation of young talent including me." Billy Crudup "Philip Carlson is one of the wisest people on the subject of building a career that will last. Luck didn't have him representing New York's top character actors; wisdom, intelligence, patience and loyalty did. He was, and is, as good as it gets." Tim Blake Nelson "Philip Carlson was my 'Guide in shining armor!' Smart, honest and hardworking, this book is his thinking and experience on a shelf." Idris Elba "I was so fortunate to have found Philip when I did. I can't imagine a better introduction to the world of acting and the business of getting there." Liev Schreiber

"BREAKING AND ENTERING is a great theater seminar, giving the inside dope on auditions on both coasts, cold readings, packaging oneself, talent agencies, and unions. Carlson's refreshing, informative look into American theater, film, and TV offers major lessons about acting, career decisions, and the cutthroat business of entertainment." -- Publishers Weekly
