**James Cadle, Debra Paul, Paul Turner : Business Analysis Techniques: 99 essential tools for success** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Business Analysis Techniques: 99 essential tools for success:

0 of 0 people found the following review helpful. Four StarsBy javier ceballosGood book0 of 0 people found the following review helpful. A Must-Have ReferenceBy Capt. Ken CaineThis is a must have for business folks. I used it while doing an Industry/Environmental Analysis and it helped immensely. Great read with easy to follow chapters. Belongs on the bookshelves of anyone in any sort of management position.1 of 1 people found the following review helpful. Take It To The OfficeBy D. WrightI continue to bounce in regards to how I'm absorbing this content. It definitely has content that can be brought to the office, presented and get people thinking about business analysis in

new ways. Recommend!

The development of business analysis as a professional discipline has extended the role of the business analyst who now needs the widest possible array of tools and the skills and knowledge to be able to use each when and where it is needed. This new edition provides 99 possible techniques and practical guidance on how and when to apply them. It complements Business Analysis also published by BCS, and offers a more detailed description of the techniques used in business analysis, together with practical advice on their application.

A master class in linking theory to practice. Full of tips and examples that will lead to a significant improvement in the quality of business analysis. Indispensable to new and experienced practitioners involved in business change. Put your name in this book before someone "borrows it"! -- James Archer \* Royal Borough of Kensington and Chelsea \*About the AuthorJames Cadle has been involved in business systems for over thirty years, initially with London Transport . Debra Paul is the Managing Director of Assist Knowledge Development. She jointly wrote the best-selling BCS publication Business Analysis. Paul Turner is a Director of Business IS Skills and Assist Knowledge Development.
