Jonathan Reuvid : Business Insights: China: Practical Advice on Operational Strategy and Risk Management before purchasing it in order to gauge whether or not it would be worth my time, and all praised Business Insights: China: Practical Advice on Operational Strategy and Risk Management:

0 of 0 people found the following review helpful. Wrong edition of the book By Shan Ma This is the wrong edition - it is Ed 1, but in the Books it was put in the same place as Ed 2 without indicating the difference, and I found out it was the wrong edition only when I received the book. It should have been marked for its edition.

Increasingly open to foreign investment and with a burgeoning consumer market, China represents an enormous commercial opportunity - but how can businesses succeed? *Business Insights: China* gives you an overview of the corporate business achievements already made in China and a comprehensive guide to the opportunities available for other businesses, wherever they are in the world. Based on the real-life experiences of, and lessons learned by, companies who have moved into the Chinese business arena, the book highlights the successes and failures of operating in such a challenging market. With practical advice and many comprehensive case studies, *Business Insights: China* offers invaluable assistance for anyone looking to initiate or develop their business activities in China. From the consultant editor of *Managing Business Risk* (also published by Kogan Page) this second edition of *Business Insights: China* includes a significant focus on risk management, providing a detailed examination of the unique challenges facing anyone establishing or developing a business in one of the world's most dynamic markets.

"This is an outstanding book, which we would certainly encourage anyone needing to know about the business environment in China to acquire." - *China-Britain Business*
