Regan W. Garey : Business Literacy Survival Guide for HR Professionals before purchasing it in order to gauge whether or not it would be worth my time, and all praised Business Literacy Survival Guide for HR Professionals:

Arguing that business literacy is relevant to the HR professional, this reference addresses concerns that individuals in HR positions are being overlooked in terms of corporate decision making and explains corporate accounting and finance through the lens of well-accepted HR competencies. Including data on financial ratios, budgeting, and fraud, this straightforward guide contains critical information for all business leaders, but especially HR generalists

and managers who are not regularly exposed to such material.

About the AuthorRegan W. Garey is a certified public accountant and an assistant professor at Immaculata University. She lives in Wilmington, Delaware.
