The kindle version of this book is missing information in the printed versionBy ShannonThe printed version of the book comes with a CD providing forms mentioned in the book. The kindle version does not come with a CD. Only a portion of the forms mentioned in the text are provided. However they are provided as graphics that are too small to be read on any normal sized device. The forms can be found at a link in the book. Because the electronic version does not provide the full information, it should be offered at a lower price than the print version, NOT a higher price!2 of 2 people found the following review helpful. This book has helped me to see the parts of my idea that will work and the parts that need to be scrapped or further researched. There are a lot of worksheets that are available on a CD or as

downloads from a website. These worksheets have been invaluable in helping me really get organized and get my resources together.
