From Berghahn Books : China in Oceania: Reshaping the Pacific? (Dislocations) before purchasing it in order to gauge whether or not it would be worth my time, and all praised China in Oceania: Reshaping the Pacific? (Dislocations):

It is important to see China's activities in the Pacific Islands, not just in terms of a specific set of interests, but in the context of Beijing's recent efforts to develop a comprehensive and global foreign policy. China's policy towards

Oceania is part of a much larger outreach to the developing world, a major work in progress that involves similar initiatives in Asia, Africa, Latin America, and the Middle East. This groundbreaking study of China's "soft power" initiatives in these countries offers, for the first time, the diverse perspectives of scholars and diplomats from Oceania, North American, China, and Japan. It explores such issues as regional competition for diplomatic and economic ties between Taiwan and China, the role of overseas Chinese in developing these relationships, and various analyses of the benefits and drawbacks of China's growing presence in Oceania. In addition, the reader obtains a rare review of the Japanese response to China's role in Oceania, presented by Japan's leading scholar of the Pacific region.
