Pan Wang : China's Outward Foreign Direct Investments and Impact on the World Economy (The Nottingham China Policy Institute Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised China's Outward Foreign Direct Investments and Impact on the World Economy (The Nottingham China

Policy Institute Series):

This book studies the impact of China's outward foreign direct investment on the world economy. It uses both case studies and modeling approaches to study how China's investments have affected the rest of the world.

About the Author Shujie Yao is Founding Head of School of Contemporary Chinese Studies, University of Nottingham, UK and Special Chair Professor of Economics, University of Chongqing and Xi'an Jiaotong University, China. nbsp; Pan Wang is currently a senior manager of Pingan Trust Co., Ltd, which is one of the largest insurance companies in China. His major research interest focuses on the China's outward foreign direct investment.
