passed away, on January 4, 2015, Stuart Scott completed work on this memoir. It was both a labor of love and a love letter to life itself. Not only did Stuart relate his personal story—his childhood in North Carolina, his supportive family, his athletic escapades, his on-the-job training as a fledgling sportscaster, his being hired and eventual triumphs at ESPN—he shared his intimate struggles to keep his story going. Struck by appendiceal cancer in 2007, Stuart battled this rare disease with an unimaginable tenacity and vigor. Countless surgeries, enervating chemotherapies, endless shuttling from home to hospital to office and back—Stuart continued defying fate, pushing himself through exercises and workout routines that kept him strong. He wanted to be there for his teenage daughters, Sydni and Taelor, not simply as their dad, but as an immutable example of determination and courage. *Every Day I Fight* is a saga of love, an inspiration to us all. From the Hardcover edition.
