From Routledge : Facilities Management: Theory and Practice before purchasing it in order to gage whether or not it would be worth my time, and all praised Facilities Management: Theory and Practice:

0 of 0 people found the following review helpful. this is a useless book. And that's the best anyone can say ...By C. FitzFirst, three words SAVE YOUR MONEY.this is a useless book. And that's the best anyone can say about it.Second, I gave it one star, that's a NEGATIVE one.0 of 0 people found the following review helpful. Five StarsBy CustomerGreat book0 of 0 people found the following review helpful. great read!By J. SmileyStraight to the point and easy to understand. Lots of scenarios are mentioned so you can imagine and apply your skills.

This text provides an overview of the interdisciplinary nature of facilities management. It discusses the framework within which facilities managers should operate and the key requirements of their task.
