What a great book for anybody working towards transforming their own ideas ...By L.W.Fairy-Tale Success "A Guide to Entrepreneurial Magic", is a magical, engaging, and smart read! Though specific to young girls, and women in general, I found it an inspiration on the entrepreneurial spirit, crossing gender, age and cultures. What a great book for anybody working towards transforming their own ideas into a financially fruitful and sustainable reality! I purchased Fairy-Tale Success as a gift for my teenage daughters and soon found it not only a clear and useful business guide for them, woven within an amusing Cinderella Story that teens will eat up, but a significant resource for my own start up toolkit as well. 0 of 0 people found the following review helpful.
