Jon Hein : Fast Food Maniac: From Arby's to White Castle, One Man's Supersized Obsession with America's Favorite Food before purchasing it in order to gage whether or not it would be worth my time, and all praised Fast Food Maniac: From Arby's to White Castle, One Man's Supersized Obsession with America's Favorite Food:

4 of 5 people found the following review helpful. Not a good application for an audio bookBy BvusThis is a review of the audio book.A good portion of the audiobook is the author reading formatted lists. It isn't easy to understand and got quite monotonous. The small percentage of the audiobook that was narrative in nature was fun and interesting. It might have been interesting to skim the lists in printed form, but it was mind numbing as an audiobook.0 of 0 people found the following review helpful. He loves everything ??By BlutoAn enjoyable read walk down memory as I once ate lots

of fast food as a youth. BUT he basically raves about every single chain as they could do no wrong. A slap or 2 at Burger King's creepy mascot otherwise everyone is a favorite!!0 of 0 people found the following review helpful. Hit'em with the Heiiiiiiiiine!!!!By Dave L.Nice book.

The beloved personality from The Howard Stern Show celebrates American fast food, exploring the history and secret menu items of both national and regional chains, ranking everything from burgers and fries to ice and mascots, and offering his own expert tips on where to go and what to order. Jon Hein is the ultimate fast food maniac, and in this book he draws on his extensive knowledge of, and love for, both nationwide chains and regional gems, from McDonald's and KFC to In-N-Out Burger and Carvel. He digs into their origin stories; reveals secret menu items; includes best lists for everything from fried chicken and shakes to connoisseur concerns such as straws and biscuits; takes a nostalgic look back at the best giveaways, slogans, and uniforms; and even provides a battle-tested drive-thru strategy. With behind-the-counter looks at places like the Dunkin' Donuts headquarters and Nathan's original hot dog stand, *Fast Food Maniac* is the definitive, cross-country guide to some of America's best-loved guilty pleasures. From the Trade Paperback edition.

"Jon and I have been on-air partners for ten years. We have traveled the country together and I promise you...this man KNOWS fast food." -- Gary Dell'Abate, New York Times bestselling author of *They Call Me Baba Booey*
About the Author Jon Hein is a regular on The Howard Stern Show and host of The Wrap-Up Show. An avid consumer of pop culture and fast food, he is the author of *Jump the Shark* and was the host of *Fast Food Mania* on Discovery TV. He lives with his family in New York.
