5000 years ago By Mati Rani Well, there is like 10% of valuable info. The rest is useless or plainly silly. Gods from outside or ancient race from space.. sill 1 of 1 people found the following review helpful. I always think that Dr. Farrell is definitely onto ... By Steve Sommers I always think that Dr. Farrell is definitely onto something. He explains his views and backs them up as clearly and insightfully as I think is possible with this type of material. 0 of 0 people found the following review helpful. Five Stars By Rhonn Very interesting.

In this sequel to Babylon's Banksters. The banksters have moved from Mesopotamia via Rome to Venice. There, they have manipulated popes and bullion prices, clipped coins, sacked Constantinople, destroyed rival Florence, waged war, burned "heretics" and suppressed hidden secrets threatening their financial supremacy... until Giordano Bruno and Christopher Columbus, broke the banking cartel's control of information and bullion...
