John Whiteside : Flight of the Phoenix before purchasing it in order to gage whether or not it would be worth my time, and all praised Flight of the Phoenix:

Flight of the Phoenix provides insights to the series of management initiatives seeping the workplace, such as re-engineering, restructuring, and reinvention. This title shows how employees can assert themselves and redress imbalances wrought by wave upon wave of management fads that masquerade as mutually beneficial but in fact serve the existing power structure. Flight of the Phoenix delivers a useful, positive message for the individual employee.It

presents strategies, insights, tools and case histories to help employees claim their rightful reward as an organisations most important asset. It includes over 200 true stories of individuals all creating a new and better way to work.
