**T. J. Marta, Joseph Brusuelas : Forex Analysis and Trading: Effective Top-Down Strategies Combining Fundamental, Position, and Technical Analyses (Bloomberg Financial)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Forex Analysis and Trading: Effective Top-Down Strategies Combining Fundamental, Position, and Technical Analyses (Bloomberg Financial):

6 of 7 people found the following review helpful. Great purchase!By GodefroyThis book is just incredible. Nicely written, compact and yet very detailed. It really does a good job explaining fundamental analysis,

The forex market is huge and offers tremendous trading opportunities. There are many different tools for analyzing the forex market. But what are the best tools and the best ways to use them to trade most effectively? *Forex Analysis and Trading* organizes the most widely used—although disparate—approaches to forex analysis into one synergistic, robust, and powerful framework. This system draws on fundamental, position, and technical analyses to identify profitable currency positions, enabling traders to make the best decisions regarding major currencies. Marta and Brusuelas are forex trading professionals with years of experience analyzing and trading every major currency.

**About the Author**T.J. Marta is Founder and Chief Market Strategist of Marta on the Markets, LLC. He is Editor and Publisher of the daily *Morning Minute* and a regular contributor to the *Overnight Express* and *FXstreet.com*. T.J. is a respected strategist and speaker with more than 20 years of Wall Street and business experience. Marta uses his technical knowledge, market experience and passion for history to provide not only context for global developments, but more importantly, the investment implications of those developments. T.J. has served as a US trading floor economist, fixed income strategist and G10 currency strategist at two of the largest financial services firms in the world: RBC and Citigroup. His professional affiliations include the National Association for Business Economics and the Money Marketeers of NYU's Stern School. Marta holds a BS from the University of Pennsylvania's Wharton School and an MBA from the Stern School at New York University. Joseph Brusuelas is Director at *Moody's Economy.com* and is a well-known economist in the financial sector. Prior to his current position, he was the Chief Economist at *Merk Funds* and Chief U.S. Economist at *IDEAglobal*. His primary fields of interest are monetary policy, fixed income, currencies and commodities. Brusuelas was named the best forecaster during the month of August 2009 by *Marketwatch/Dow Jones*.
