From Routledge : Macroeconomics and the History of Economic Thought: Festschrift in Honour of Harald Hagemann (Routledge Studies in the History of Economics) before purchasing it in order to gage whether or not it would be worth my time, and all praised Macroeconomics and the History of Economic Thought: Festschrift in Honour of Harald Hagemann (Routledge Studies in the History of Economics):

The essays in this Festschrift have been chosen to honour Harald Hagemann and his scientific work. They reflect his

main contributions to economic research and his major fields of interest. The essays in the first part deal with various aspects within the history of economic thought. The second part is about the current state of macroeconomics. The essays in the third part of the book cover topics on economic growth and structural dynamics.
