99U : Make Your Mark: The Creative's Guide to Building a Business with Impact (The 99U Book Series 3)

before purchasing it in order to gauge whether or not it would be worth my time, and all praised Make Your Mark: The Creative's Guide to Building a Business with Impact (The 99U Book Series 3):

4 of 4 people found the following review helpful. Get MotivatedBy Grant RosenblattA good little quick read on building businesses with customer in mind. I read it in one night and it served as a motivator more than a lesson book. The message in the book is simple and easy to digest. I would recommend this book to anyone who is in the beginning stages of an idea or the first year of business. A great book to re-read after your second year of being in business to

make sure you are achieving your vision.6 of 7 people found the following review helpful. The surrogate adviser for creative typesBy Origin Designs Ron HeikesI'm in process with this series of books (3) but from the get go I felt like these books were aimed specifically at me. I've read some of the most popular motivational books but this series is tailored specifically to artist and that's what makes this information so poignant.These are small handy almost pocket size books (which make it easy to carry around) and all of the suggestions are short, concise and to the point. If you're already developed good skill sets in a specific area then you can quickly move on. I keep these books laying around the house in various locations because when I want a huge hit to transform my life I merely need to read just 2-3 paragraphs of these extremely well synthesized thoughts and almost every time something will strike a much needed chord. From how to be more efficient with your time and staying less distracted to creating a game plan for marketing yourself these books are spot on target. I absolutely hit a grand slam when I found this collection of books online and they've become my best surrogate adviser.0 of 0 people found the following review helpful. Great read full of valuable advice for creating a business that will change the world.By Richard Jenkins (Mad Man Thoughts)If you're looking to step up and create a business that will change the world, "Make Your Mark" will help get you on your way. This book covers everything from finding and defining your business's purpose, to implementing effective leadership throughout your organization. I'd recommend this book to small business owners and startup founders above the other's in the 99U series (i.e. Manage Your Day-to-Day: Build Your Routine, Find Your Focus, and Sharpen Your Creative Mind (The 99U Book Series) and Maximize Your Potential: Grow Your Expertise,nbsp;Take Bold Risksnbsp;nbsp;Build an Incredible Career (The 99U Book Series 2)).

Finally, a business book for makers, not managers. Are you ready to ldquo;make a dent in the universerdquo;? As a creative, you no longer have to take a backseat. In fact, stepping up and embracing entrepreneurship is the fastest route to impact. But where do you start? And what sets the businesses that succeed apart? To find out, we asked the bright minds behind companies like Google X, Warby Parker, Facebook, Orsquo;Reilly Media, and more to share their startup wisdom. Featuring hard-won wisdom from twenty leading entrepreneurs and designers, 99Ursquo;s Make Your Mark will arm you with practical insights for launching a purpose-driven business, refining your product, delighting your customers, inspiring your teammdash;and ultimatelymdash;making something that matters.Make Your Mark features contributions from: William Allen, Rich Armstrong, Warren Berger, Sean Blanda, Neil Blumenthal, Craig Dalton, Jane ni Dhulchaointigh, Aaron Dignan, Andy Dunn, Joel Gascoigne, Seth Godin, Chris Guillebeau, Emily Heyward, John Maeda, David Marquet, Tim Orsquo;Reilly, Shane Snow, Sebastian Thrun, Keith Yamashita, and Julie Zhuo. Plus, a foreword from Behance founder Scott Belsky.
