From Routledge : Management Consulting Today and Tomorrow: Perspectives and Advice from 27 Leading World Experts before purchasing it in order to gage whether or not it would be worth my time, and all praised Management Consulting Today and Tomorrow: Perspectives and Advice from 27 Leading World Experts:

This book provides a thorough examination of a variety of specialties within the broad range of management consulting. A book of such scope and depth could only be written by a large number of experts, each from one of the many specialties related to management consulting. Together, all 27 contributors take the reader through an industry that is currently undergoing significant change. While covering all the major practice areas of consulting, the book

also offers new insights into change processes and addresses compelling management issues now facing consulting firms.
