David Simchi-Levi, Philip Kaminsky, Edith Simchi-Levi : Managing the Supply Chain: The Definitive Guide for the Business Professional before purchasing it in order to gage whether or not it would be worth my time, and all praised Managing the Supply Chain: The Definitive Guide for the Business Professional:

In today's environment of tight budgets and even tighter turnarounds, effective supply-chain management has become a core business requirement. *Managing the Supply Chain* adapts the number one supply-chain book on the college market to examine how professionals can consistently turn supply-chain strategy into a competitive advantage. This results-based book examines the experiences of today's most accomplished companies to demonstrate supply-chain innovation at work in the marketplace.
