From Springer : Market Entry in China: Case Studies on Strategy, Marketing, and Branding (Management for Professionals) before purchasing it in order to gage whether or not it would be worth my time, and all praised Market Entry in China: Case Studies on Strategy, Marketing, and Branding (Management for Professionals):

This book compiles brand new case studies on the intricacies and market entry strategies of different companies in China. The sheer speed and scope of China's growth makes it unique and investment opportunities are very attractive. Despite the potential, many western companies fail in their market entry strategies. This book traces the major sources of failure and uses cases to illustrate how firms can better cope with the challenging Chinese market. With a special focus on marketing, positioning, and branding, this book presents issues and solutions of both large multinationals and small niche market players.

From the Back Cover This book compiles brand new case studies on the intricacies and market entry strategies of different companies in China. The sheer speed and scope of China's growth makes it unique and investment opportunities are very attractive. Despite the potential, many western companies fail in their market entry strategies. This book traces the major sources of failure and uses cases to illustrate how firms can better cope with the challenging Chinese market. With a special focus on marketing, positioning, and branding, this book presents issues and solutions of both large multinationals and small niche market players.

About the Author Christiane Prangen is a Professor of Global Strategy and Marketing at Tongji University, China. She obtained her Ph.D. from Geneva University, Switzerland, and has lectured as a visiting professor in more than ten countries, including Austria, China, Malaysia, Russia, Romania and U.K. She has also consulted multinational companies on marketing and internationalization strategies, global innovation management, and agility. She has published five books and several journal articles, and has presented her work at major international conferences, including Strategic Management Society (SMS), Academy of Management (AOM), and Academy of International Business (AIB).
