Gregory Gleason : Markets and Politics in Central Asia (Economies in Transition to the Market) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Markets and Politics in Central Asia (Economies in Transition to the Market):

Over a decade after national independence, it is apparent that the contrasting development strategies adopted by the

five new governments of Central Asia have led to significantly different outcomes. This well-written and timely book analyses how the development strategies of these countries have affected their transition from communist governance.

About the Author Gregory Gleason is Associate Professor of Political Science and Public Administration, University of New Mexico
