6 of 6 people found the following review helpful. read carefully - it's NOT a bookBy laura anderssonwas disappointed.

that i was buying a BOOK and it's more like a pamphlet... perhaps i didn't read the ad well enough.3 of 3 people found the following review helpful. My thoughtsBy Greg KimberlinAs an owner of multiple retail outlets, this book helped me understand where each employee was in the pyramid. Knowing and understanding has helped me retain my employees by knowing what they need. This information is proving invaluable. In the past I would give them pay increases and still have them leave. Today I give more responsibility, autonomy and recognition, both public and private. Wow what a difference. People seek us out and want to work in our company.3 of 3 people found the following review helpful. One StarBy Carlos Humberto AlbanezIs not what I expected
