From Palgrave Macmillan : Migrant Remittances in South Asia: Social, Economic and Political Implications (International Political Economy Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Migrant Remittances in South Asia: Social, Economic and Political Implications (International

Political Economy Series):

This volume provides theoretical treatments of remittance on how its development potential is translated into reality. The authors meticulously delve into diverse mechanisms through which migrant communities remit, investigating how recipients engage in the development process in South Asia.
