E-learning--the delivery of training and performance support directly to employees' desktops--is exploding in growth and complexity. The 2002 ASTD E-Learning Handbook gives readers the very juiciest, most practical, most recent articles and reference information from leading experts and gurus. Covering E-Learning best practices and useful reviews of the literature, the book gives guidance on getting better results for dollars committed to E-Learning and provides a directory of contact information for key E-Learning organizations, sources, conference schedules, and more.
