this book to teach other leaders how to have fun while coaching a team. I highlighted four easy games from the book and taught leaders situations among teams where these might be helpful. The response was so positive I've loaned the book out twice so far. 1 of 1 people found the following review helpful. Versatile and comprehensive

Great book with all preparation work explained step by step!

The fun and effective way to BOOST ENGAGEMENT and PRODUCTIVITY Teams that enjoy working together operate on a whole different energy level than teams that don't. They break down silos. They build stronger relationships. They retain what they have learned. And THEY DRIVE RESULTS. The Big Book of Team Coaching Games provides the structure and games you need to build and manage powerful teams. Packed with dozens of physical and verbal activities, it leads you step-by-step through the process of teaching team members how to identify their values, leverage their strengths, and reach their goals--and have fun while they're doing it! Nothing can stop the momentum of a team that wants to get things done. The Big Book of Team Coaching Games is the ideal playbook for making sure your teams contribute more than their share to the bottom line.
