Would highly recommend for anyone interested in understanding life, relationships and business regardless of how educated or experienced one would be.Thank you Mr. Rohlander for enhancing my perspectives and broadening my horizons.1 of 1 people found the following review helpful. One StarBy DresdenWaste. This was just a rant of his personal thoughts and experiences. No strategic offerings.0 of 1 people

found the following review helpful. The CEO Code - how to be the masterpieceBy Kent88David Rohlander is one of those rare individuals who bring out the best in others - just by being who he is. In his book, The CEO Code, David connects the dots between timeless wisdom and being effective in the 21st Century. While many of the 'secrets' he shares have always been hidden in plain sight, the book takes the reader on a wonderful journey of self-discovery through powerful questions and real world examples. If you don't have the good fortune of being able to retain Mr. Rohlander for individual or corporate executive leadership coaching, you can avail yourself of his brilliance through this book. Also, when it comes out on audiobook, get it because David is a master of packing great meaning into the smallest of nuances.

The CEO Code shows how to develop the attitudes, knowledge, skills, and behaviors required to master leadership and build a great company. This practical book shows you how to design your own program of development and create a masterpiece, personally and professionally. It is based on the wisdom gained from more than 30 years of business experience. Inspirational and informative, Rohlander shares real-life stories of success and failure from his personal journey and work as mentor and coach to CEOs and executives of Fortune 500 companies, mid-sized companies, and start-ups. The CEO Code will give you:

- \* Practical advice for dealing with people\*
- Proven strategies to increase business profits and growth\*
- Unique and simple solutions to complex problems\*
- The secret to authentic communications
