C.I ordered the book because we had previously ordered it and wanted to pass a copy along to someone else.. However, the book contained the wrong insert. Instead of receiving The CMO's Social Media Handbook, we received "The Mind of the African Strongman". I would like this book to be replaced with what we originally purchased.. it states that it's not eligible for a return past January 31, 2016, however since this was an error on your part, I'm hoping that someone will contact me about replacing the item.0 of 0 people found the following review helpful.
