Every day federal, state, and local government as well as other organizations including corporations and foundations give out more than a MILLION DOLLARS IN FREE GRANT MONEY. A grant is essentially a gift. It goes to an organization, municipality, business, or individual to enable them to continue conducting their activities or research. You or your organization may be eligible for millions of dollars in free grant money. Grant money does not have to be returned or paid back. Unfortunately, many grants are not awarded because of improper filing procedures, and or poorly written proposals, and so literally millions of dollars go unclaimed every year.
