Paulo Drummond, S. K Wajid, Oral Williams : The East African Community : Quest for Regional Integration before purchasing it in order to gage whether or not it would be worth my time, and all praised The East African Community : Quest for Regional Integration:

The countries in the East African Community (EAC) are among the fastest growing economies in sub-Saharan Africa. The EAC countries are making significant progress toward financial integration, including harmonization of supervisory arrangements and practices and the modernization of monetary policy frameworks. This book focuses on

regional integration in the EAC and argues that the establishment of a time table for the eliminating the sensitive-products list and establishing a supranational legal framework for resolving trade disputes are important reforms that should foster regional integration.
