**From Springer :** **The European Central Bank at Ten** before purchasing it in order to gage whether or not it would be worth my time, and all praised The European Central Bank at Ten:

Coming at a critical juncture for the euro, the book takes stock of the ECB's experience during its first ten years and discusses the way ahead. The articles are written by well-known experts in the field and provide the reader with a comprehensive overview of relevant policy issues, including the ECB's communication and its monetary strategy

and instruments.

From the Back Cover Coming at a critical juncture for the euro, the book takes stock of the ECB's experience during its first ten years and discusses the way ahead. The articles are written by well-known experts in the field and provide the reader with a comprehensive overview of relevant policy issues, including the ECB's communication and its monetary strategy and instruments.
