Andreas Staab : The European Union Explained, Second Edition: Institutions, Actors, Global Impact before purchasing it in order to gage whether or not it would be worth my time, and all praised The European Union Explained, Second Edition: Institutions, Actors, Global Impact:

0 of 0 people found the following review helpful. Needs more EU background and historyBy LittleTankNeeded more background and history, but other than that, a decent, fairly priced reference book.2 of 2 people found the following review helpful. EU up to dateBy Roger S. ScottThe status of the European Union constantly changes. This book is up

to date as of 2012. It covers history and current status of all the major institutions of the EU. It also show the impact of the EU on citizens and countries. The EU has improved lives and has improved the economies of Europe.3 of 3 people found the following review helpful. Great place to startBy KallanchenGood summary of basic EU actors, institutions, and policy. A great place to start for those with some knowledge of history/political science but little idea of the inner workings of the EU.

This brief and accessible introduction to the European Union is ideal for anyone who needs a concise overview of the structure, history, and policies of the EU. This updated edition includes a new chapter on the sovereign debt crisis in the Eurozone. Andreas Staab offers basic terms and interpretive frameworks for understanding the evolution of the EU; the overall structure, purpose, and mandate of its main constituent divisions; and key policy areas, such as market unification and environmental policy.

"Readers in America and Europe alike will benefit from the very considerable expertise revealed in these pages."
Hugh Dykes, House of Lords, Liberal Democrat Spokesperson on the European Union
"The value of [this] third edition is its recounting and integration of recent events, placing news in a context that is often absent on the Internet. An excellent resource for college students at all levels and a must for European studies scholars and researchers.... Highly recommended." Choice
"A wonderful exposition of the European Union." Ambassador Donato Chiarini, European Commission
"An informative, well-paced, and clearly articulated narrative of the European Union's development."
Jennifer Yoder, Colby College
"Covers all the essential topics related to the EU." Choice, reviewing a previous edition or volume
"The European Union Explained offers a fine introduction to the European Union and will appeal to a range of collections, from political science and business holdings to college-level collections strong in the media." Midwest Book , reviewing a previous edition or volume
