Kim Solga : The Everything Guide to Selling Arts Crafts Online: How to sell on Etsy, eBay, your storefront, and everywhere else online (Everythingreg;) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Everything Guide to Selling Arts Crafts Online: How to sell on Etsy, eBay, your storefront, and everywhere else online (Everythingreg;):

25 of 25 people found the following review helpful. The Everything Guide to Selling Arts Crafts Online by Kim SolgaBy VALENTINE S BACHMANNThis book's contents surprised me; the book's cover conveyed the impression that this would be a light-weight reference read. Instead, the only sections that were treated lightly were those that did not directly refer to online selling, such as deciding whether to delve into online work or not, or photography and any other preparation work. Numerous online venues were discussed at length, such as Etsy, Artfire, and eBay, among others. How these sites work, what the cost, how many listings allowed, time period of the contracts, and also hints and advice to the reader were covered in detail. The tone was informal, but extremely informative.2 of 2 people found

the following review helpful. If you are a crafter, good resource. By Patricia Viera Great if you are a crafter. I make jewelry, not really helpful to me. 6 of 6 people found the following review helpful. Great Book By Phylis Great book easy to follow and it is very thorough. It gets you motivated to start your own business online.

Your guide to online success! Here's all you need to realize your dreams of turning your handiwork into cash--online!
