From Oxford University Press : The Flexible Firm: Capability Management in Network Organizations before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Flexible Firm: Capability Management in Network Organizations:

This book provides a detailed account of the network-like organizational forms that some firms are adopting to make themselves more flexible and responsive to changing technologies and customer demands. As these organizations become more pervasive, the winners will be those firms that develop the specific capabilities that are needed to thrive in a networked world.
