Oliver Chittenden : The Future of Money: Introduction by Vince Cable (World Class Thinking on Global Issues) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Future of Money: Introduction by Vince Cable (World Class Thinking on Global Issues):

The state of the global economy affects every single one of us. With economic growth threatened by financial regulation and the East and West at competitive odds, the real solutions to global recession can only come through international co-operation. Featuring world leaders, Nobel Prize-winning economists, award-winning writers and opinion formers *The Future of Money* brings together the finest thinking to suggest solutions to this global predicament.
