International Monetary Fund : The Future of the SDR in Light of Changes in the International Monetary System before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Future of the SDR in Light of Changes in the International Monetary System:

This book edited by Michael Mussa, James M. Boughton, and Peter Isard, records the proceedings of a seminar held at

the IMF in March 1996 on the future of the special drawing right (SDR), given changes in the international monetary system since the inception of the SDR. The seminar focuses on the differences in opinion in the international community on the desirability or feasibility of an additional allocation of SDRs.
