From Wiley-Blackwell : The Globalization Reader before purchasing it in order to gage whether or not it would be worth my time, and all praised The Globalization Reader:

0 of 0 people found the following review helpful. Lots of great reads.By Kristen SarnoLots of great reads... However, if you're purchasing this as a textbook, many of the readings in it are well known journal articles and it is easy to find the original source of publication online.0 of 0 people found the following review helpful. Four StarsBy SwatiI like how this book is not highlighted.0 of 1 people found the following review helpful. Four StarsBy Anushka JoshiGood as expected

Completely revised and updated, the fifth edition of this well-regarded textbook charts key topics and recent research

in globalization along with the latest complexities and controversies in the field. Includes a new section on globalization and identity and new readings on global inequality, mental illness, structural violence, microfinance, blood diamonds, world citizenship, the global justice movement, and sumo wrestling Contains essential, thought-provoking readings by prominent scholars, activists, and organizations on the many dimensions of globalization, from political and economic issues to cultural and experiential ones Examines foundational topics, such as the experience of globalization, economic and political globalization, the role of media and religion in cultural globalization, women's rights, environmentalism, global civil society, and the alternative globalization movement Retains the helpful student features from prior editions, including an accessible format, concise introductions to major topics, stimulating examples, and discussion questions for each selection and section

About the Author Frank J. Lechner is Professor of Sociology at Emory University, USA. He has published numerous papers on religion and sociological theory.
