**S. Wright : The Handbook of International Loan Documentation: Second Edition (Global Financial Markets)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Handbook of International Loan Documentation: Second Edition (Global Financial Markets):

This new edition provides a highly practical and comprehensive resource for bankers and lawyers, at all levels of experience, involved in international lending. The author covers the terms of international loan documentation with comprehensive explanations of the purpose of the provisions, and of areas that may require negotiation.
