Unlike some other trivia books, this has a variety of formats and things to read. Each section begins with a broad topic (ie. Magic Kingdom) then narrows it down to a more specific item, like ride or experience (ie. Haunted Mansion). It starts with a short sentence or two description of the ride, then question one is multiple choice about it. Question two is a question posed to the reader, but one which you must dig in your memories to determine the answer. (No multiple choice here!) After that, there's some trivia about the topic and maybe a thing to look for (an Imagineer's artistic signature, hidden mickey, or maybe she'll tell you the names of the hitchhiking ghosts.) The book is filled with fascinating facts and questions that will surely entertain the whole family, though it may be challenging for children to figure out many of the answers. 1 of 1 people found the following review helpful. I'm so glad I own this... By D. Smith This is my first Kindle app book. Yes - I'm behind the times. I love the book. It has questions like a quiz with answers in the back section; "Fascinating Facts," and "Look For." I am going to Disney in May, and this book has made my excitement so much more. I like how rides/attractions and information gets you thinking - I like trivia on a small scale, and this book is perfect for me! I love how the app allows you to highlight - so cool! I keep up with my answers and the correct answers. This book is a trivia book and a reference book for me. I hope I can find something similar for Epcot... 0 of 0 people found the following review helpful. Great trivia book By SoloWingKiba Great trivia book. The Mrs. and I took the Kindle Edition on our recent trip to pass time in the car. We are both Disney Nuts but even some of this was new to us and a bit difficult at times. Do yourself a favor though, buy the physical copy. It's easy enough to flip back and forth to find answers but the Kindle Edition was not easy to do. Had it been more interactive and you could have clicked the page and zipped to it, it would have been better, but that is no fault of the book itself.

Test your knowledge of Disney's little-known facts and history! You've been to Disney World hundreds of times and can rattle off the entire spiel for the Jungle Cruise from memory, but how much do you really know about these imaginative theme parks and their attractions? From the fastest rides and the tallest sculptures to the parks' enchanting history and hidden gems, this trivia challenge doesn't miss a single detail - no matter how small. Full of Disney's best-kept secrets and facts, you will spend hours racking your brain trying to figure out answers to questions such as, "What is the name of the award Walt Disney created for special Cast Members?" and "What is so special about the dentures Dr. Winch is promoting at Country Bear Jamboree?" A treasure trove of challenging Disney World trivia, this book is guaranteed to stump even the biggest Mickey Mouse fan!

From the Author You're planning a trip to Walt Disney World; you have a long car ride or flight to get there; or maybe you just can't get enough of your favorite vacation destination and enjoy spending your leisure time talking about it with friends and family. Here is your chance to show what you know...and learn something new in the process. *Hidden Magic Trivia* is an interactive guide, posing questions, sharing fun facts, and prompting you to look for interesting tidbits while you're in the parks. Each attraction has a multiple choice question, a harder fill-in-the-blank question, and a Fun Fact you can enjoy before you leave, while you're in transit, and once you reach the parks. When you arrive, each attraction has a Look For; something special to seek out that adds extra insight to your touring. All four theme parks have their own scavenger hunt, too, perfect for avoiding longer queues mid-day or in peak seasons. Traveling with younger children? They have their own special hunt, with easy-to-find locations throughout the parks. Of course, older kids and adults might want to give it a whirl even if they don't have youngsters in tow. What about the real die-hard fan in your group? They aren't forgotten either, with the Disney for Die-Hards scavenger hunt. This is serious bragging rights territory, but don't be daunted if you're new to the parks. You can figure these posers out if you put your mind to it! *Hidden Magic Trivia* isn't your granddaddy's trivia book; it's trivia with a twist!
