**Sara G. Forden : The House of Gucci: A Sensational Story of Murder, Madness, Glamour, and Greed** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The House of Gucci: A Sensational Story of Murder, Madness, Glamour, and Greed:

0 of 0 people found the following review helpful. Four Stars By Moore, s. Good book so far 2 of 4 people found the following review helpful. Interesting By Mary Ingram Interesting is about all I can say for this book. If you want to know all about the running of the business of Gucci, this book will reward you amply. Know before hand if you think

most of the book is about the murder of Maurizio Gucci, there are not that many details. The Gucci family and what they achieved is a marvel. Guccio, the founder and then his sons created a dynasty. They were such hard workers and seemingly all of them extremely talented in the fashion business. It is sad the way this dynasty crumbled down. I'm reminded of the old nursery rhyme - Humpty Dumpty sat on a wall. Humpty Dumpty had a great fall. All the king's horses and all the king's men couldn't put Humpty together again. 0 of 2 people found the following review helpful.  
Five Stars  
By Marie Benson  
Great read

Did Patrizia Reggiani murder her ex-husband, Maurizio Gucci, in 1995 because his spending was wildly out of control? Did she do it because her glamorous ex was preparing to marry his mistress, Paola Franchi? Or is there a possibility she didn't do it at all? In this gripping account of the ascent, eventual collapse, and resurrection of the Gucci dynasty, Sara Gay Forden takes us behind the scenes of the trial and exposes the passions, the power, and the vulnerabilities of the greatest fashion family of our times.
