Have you written a manuscript but are unsure how to get the finished product into the hands of readers? Crafting raw text into a physical or digital book that can be sold and read is a time-consuming, multifaceted process. Independent authors need not face this challenge alone; equip yourself for success with skilled professional collaborators and a tool that combines multiple essential functions under one virtual roofmdash;that tool is IngramSpark. In today's diverse, competitive book market, authors have access to an array of online publishing and print-on-demand services. IngramSpark proudly sets itself apart from the rest by combining affordable, high-quality book production with the distribution channels of the largest book distributor in the world, making your titles available to thousands of book retailers worldwide. This guidebook walks you through the process of editing, designing, printing, and marketing your manuscript, and provides a thorough overview of the many versatile services IngramSpark offers to indie publishers of

all stripesmdash;from humble scribblers to ambitious superstar authors to established small presses. You'll learn how to enhance the readability of your book, get the most out of your publishing budget, convert your physical book into digital e-book form, efficiently fulfill orders for your book, and generate buzz beyond your local community of acquaintances. Think of this guidebook as not just a manual for utilizing IngramSpark, but also a crash course in the intricacies of becoming a successful independently published author.
