Gay Talese : The Kingdom and the Power: Behind the Scenes at The New York Times: The Institution That Influences the World before purchasing it in order to gage whether or not it would be worth my time, and all praised The Kingdom and the Power: Behind the Scenes at The New York Times: The Institution That Influences the World:

3 of 3 people found the following review helpful. An old warhorse more than holds its own in our contemporary

world. By Joe DiMiceli The unvarnished biography of "The New York Times". Although 50 years old, it reads like a contemporary work and is a must for anyone interested in journalism or writing in general or office politics at a very high level. Many interesting profiles of the Times personalities that I grew up with. Highly recommended. JD1 of 1 people found the following review helpful. Quite a piece of work!! By Warren W. Wiley This man worked his ass off on this book. It is all you wanted to know about the NYT and more. It certainly boosted my esteem for this venerable newspaper and its determination to be the best and the most even-handed paper it could be. There is a lot of history here and a lot of detail and it is slow going at times-in fact I'm not quite done yet. But I congratulate Talese for his work. 0 of 0 people found the following review helpful. If you like "Network" you will love "The Kingdom and the Power" By Prof Stan No more gripping story of the "Old Grey Lady" will ever be written. Non-fiction, it reads like a hot novel by the Father of Modern Journalism.

The classic inside story of The New York Times, the most prestigious, and perhaps the most powerful, of all American newspapers. Bestselling author Talese lays bare the secret internal intrigues behind the tradition of front page exposes in a story as gripping as a work of fiction and as immediate as today's headlines.

From the Inside Flap "A landmark in the field of writing about journalism." The Nation The classic inside story of The New York Times, the most prestigious, and perhaps the most powerful, of all American newspapers. Bestselling author Talese lays bare the secret internal intrigues behind the tradition of front page exposes in a story as gripping as a work of fiction and as immediate as today's headlines. About the Author Gay Talese worked in The Times newsroom as a staff writer for ten years. In gathering information for The Kingdom and the Power, he interviewed hundreds of Times men, both past and present, as well as talking to the owners and executives, with access to many personal records and documents.
