Eric Blehm : The Last Season (P.S.) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Last Season (P.S.):

Destined to become a classic of adventure literature, The Last Season examines the extraordinary life of legendary backcountry ranger Randy Morgenson and his mysterious disappearance in California's unforgiving Sierra Nevada mountains as perilous as they are beautiful. Eric Blehm's masterful work is a gripping detective story

interwoven with the riveting biography of a complicated, original, and wholly fascinating man.
