Victor M. Serrato P. an insightful review of recent trends in the MBA's programs including on-line programs detailing the pros and cons of this methods0 of 0 people found the following review helpful. Five StarsBy Ignacio GafoRemarkable

How do you create world-class educational institutions that are academically rigorous and vocationally relevant? Are business schools the blueprint for institutions of the future, or an educational experiment gone wrong? This is the first title in a new series from IE Business School, IE Business Publishing .
