Gabriel Sherman : The Loudest Voice in the Room: How the Brilliant, Bombastic Roger Ailes Built Fox News--and Divided a Country before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Loudest Voice in the Room: How the Brilliant, Bombastic Roger Ailes Built Fox News--and Divided a Country:

6 of 6 people found the following review helpful. Great look at the real personality behind Fox NewsBy Thomas D. HarringtonGabriel Sherman looks behind the curtain of the wiz behind Fox News. You will admire Roger Ailes for his talent, his incisive and thorough understanding of politics and media, and his drive and perseverance. You will also get decisive evidence of Ailes' domineering, smearing, and paranoid manner and the way it drove his network and influenced politics for decades. Ailes' sun may be setting, but his impact will remain. The biggest question for me is which institution he harmed more: the United States of America, or the Republican Party?1 of 1 people found the following review helpful. Well Written and Entertaining Backstory to Current EventsBy GGAfter reading Mr. Gabriel's recent New York Magazine article about Ailes's sexual harassment, I wanted to learn some background. This book is well researched, well written, and entertaining. The irony of Ailes launching Fox's success by repeatedly beaming out news of the Clinton "blue dress" scandal and now being undone by these accusations is fascinating. This book puts the current events into context.0 of 0 people found the following review helpful. A fair and balanced view of Roger AilesBy James SimonThis is a good book for anyone who thinks that Fox News is telling the truth. Ailes finally created what he wanted [a Republican News Network] after a few failed attempts. As he said, the secret to propaganda is to repeat something until people believe it.

NEW YORK TIMES BESTSELLER bull; nbsp;A revelatory journey inside the world of Fox News and Roger Ailes—the brash, sometimes combative network head who helped fuel the rise of Donald Trump When Rupert Murdoch enlisted Roger Ailes to launch a cable news network in 1996, American politics and media changed forever. With a remarkable level of detail and insight, New York magazine reporter Gabriel Sherman puts Ailes's unique genius on display, along with the outsize personalities—Bill O'Reilly, Sean Hannity, Megyn Kelly, Sarah Palin, Karl Rove, Glenn Beck, Mike Huckabee, Gretchen Carlson, and others—who have helped Fox News play a defining role in the great social and political controversies of the past two decades. From the Clinton-Lewinsky scandal to the Bush-Gore recount, from the war in Iraq to the Tea Party attack on the Obama presidency, Roger Ailes developed an unrivaled power to sway the national agenda. Even more, he became the indispensable figure in conservative America and the man any Republican politician with presidential aspirations had to court. How did this man become the master strategist of our political landscape? In revelatory detail, Sherman chronicles the rise of Ailes, a frail kid from an Ohio factory town who, through sheer willpower, the flair of a showman, fierce corporate politicking, and a profound understanding of the priorities of middle America, built the most influential television news empire of our time. Drawing on hundreds of interviews with Fox News insiders past and present, Sherman documents Ailes's tactical acuity as he battled the press, business rivals, and countless real and perceived enemies inside and outside Fox. Sherman takes us inside the morning meetings in which Ailes and other high-level executives strategized Fox's presentation of the news to advance Ailes's political agenda; provides behind-the-scenes details of Ailes's crucial role as finder and shaper of talent, including his sometimes rocky relationships with Fox News stars such as O'Reilly, Hannity, and Carlson; and probes Ailes's fraught partnership with his equally brash and mercurial boss, Rupert Murdoch. nbsp; Roger Ailes's life is a story worthy of Citizen Kane. Featuring a new afterword about Ailes's epic downfall during the extraordinary 2016 election, nbsp;The Loudest Voice in the Room is an extraordinary feat of reportage with a compelling human drama at its heart. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR ldquo;[An] actually fair and balanced, carefully documented biography. rdquo;—Jacob Weisberg, The New York Times Book Review ldquo;The book excels at compiling data establishing Ailes's control freakishness and authoritarian nature. . . . A veteran of the New York media-reporting scene, Sherman nails the Fox News palace intrigue and brings to light interactions that Ailes clearly never wanted to go public. rdquo;—Erik Wemple, The Washington Post ldquo;[An] enormously entertaining new biography. rdquo;—The New Republic ldquo;A thoroughly reported look behind that curtain . . . Part of the reason [Ailes] and his allies have campaigned against the book is not because it is false, but because it tells a true story. rdquo;—David Carr, The New York Times ldquo;Sherman is at his best writing with sweep about the history of cable news and placing Ailes in context. rdquo;—Los Angeles Times
