**Ranbir Vohra : The Making of India: A Political History** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Making of India: A Political History:

Designed for undergraduate and graduate courses on Indian civilization and history, this text provides a sweeping look at the long and varied history of India and how this complex legacy has shaped, and is shaping, the nation's modern polity. It offers unique political-historical coverage of India from pre-history into the 21st century.

"Recommended. Upper-division undergraduates and above." --Choice  
From the Back Cover  
This thoughtful, balanced, and highly readable work provides a masterful sweep of the long and variegated history of India and its current struggle for modernity. Basing his narrative line on the socioreligious tradition of India, the author helps the reader understand how India's past lives on into the present and how the complex interaction among the forces of imperialism, tradition, and modernity have complicated the problems of state and nation building in contemporary India.
